

End the Cover Girl

a drama/thriller film by Kaya Jordann

A rock band publicly navigates acts of sabotage in the form of
groupie murders in this exposé on the veil of fame and the
monsters we worship.

I want a story that forces the
culture to look in the mirror and
be afraid...

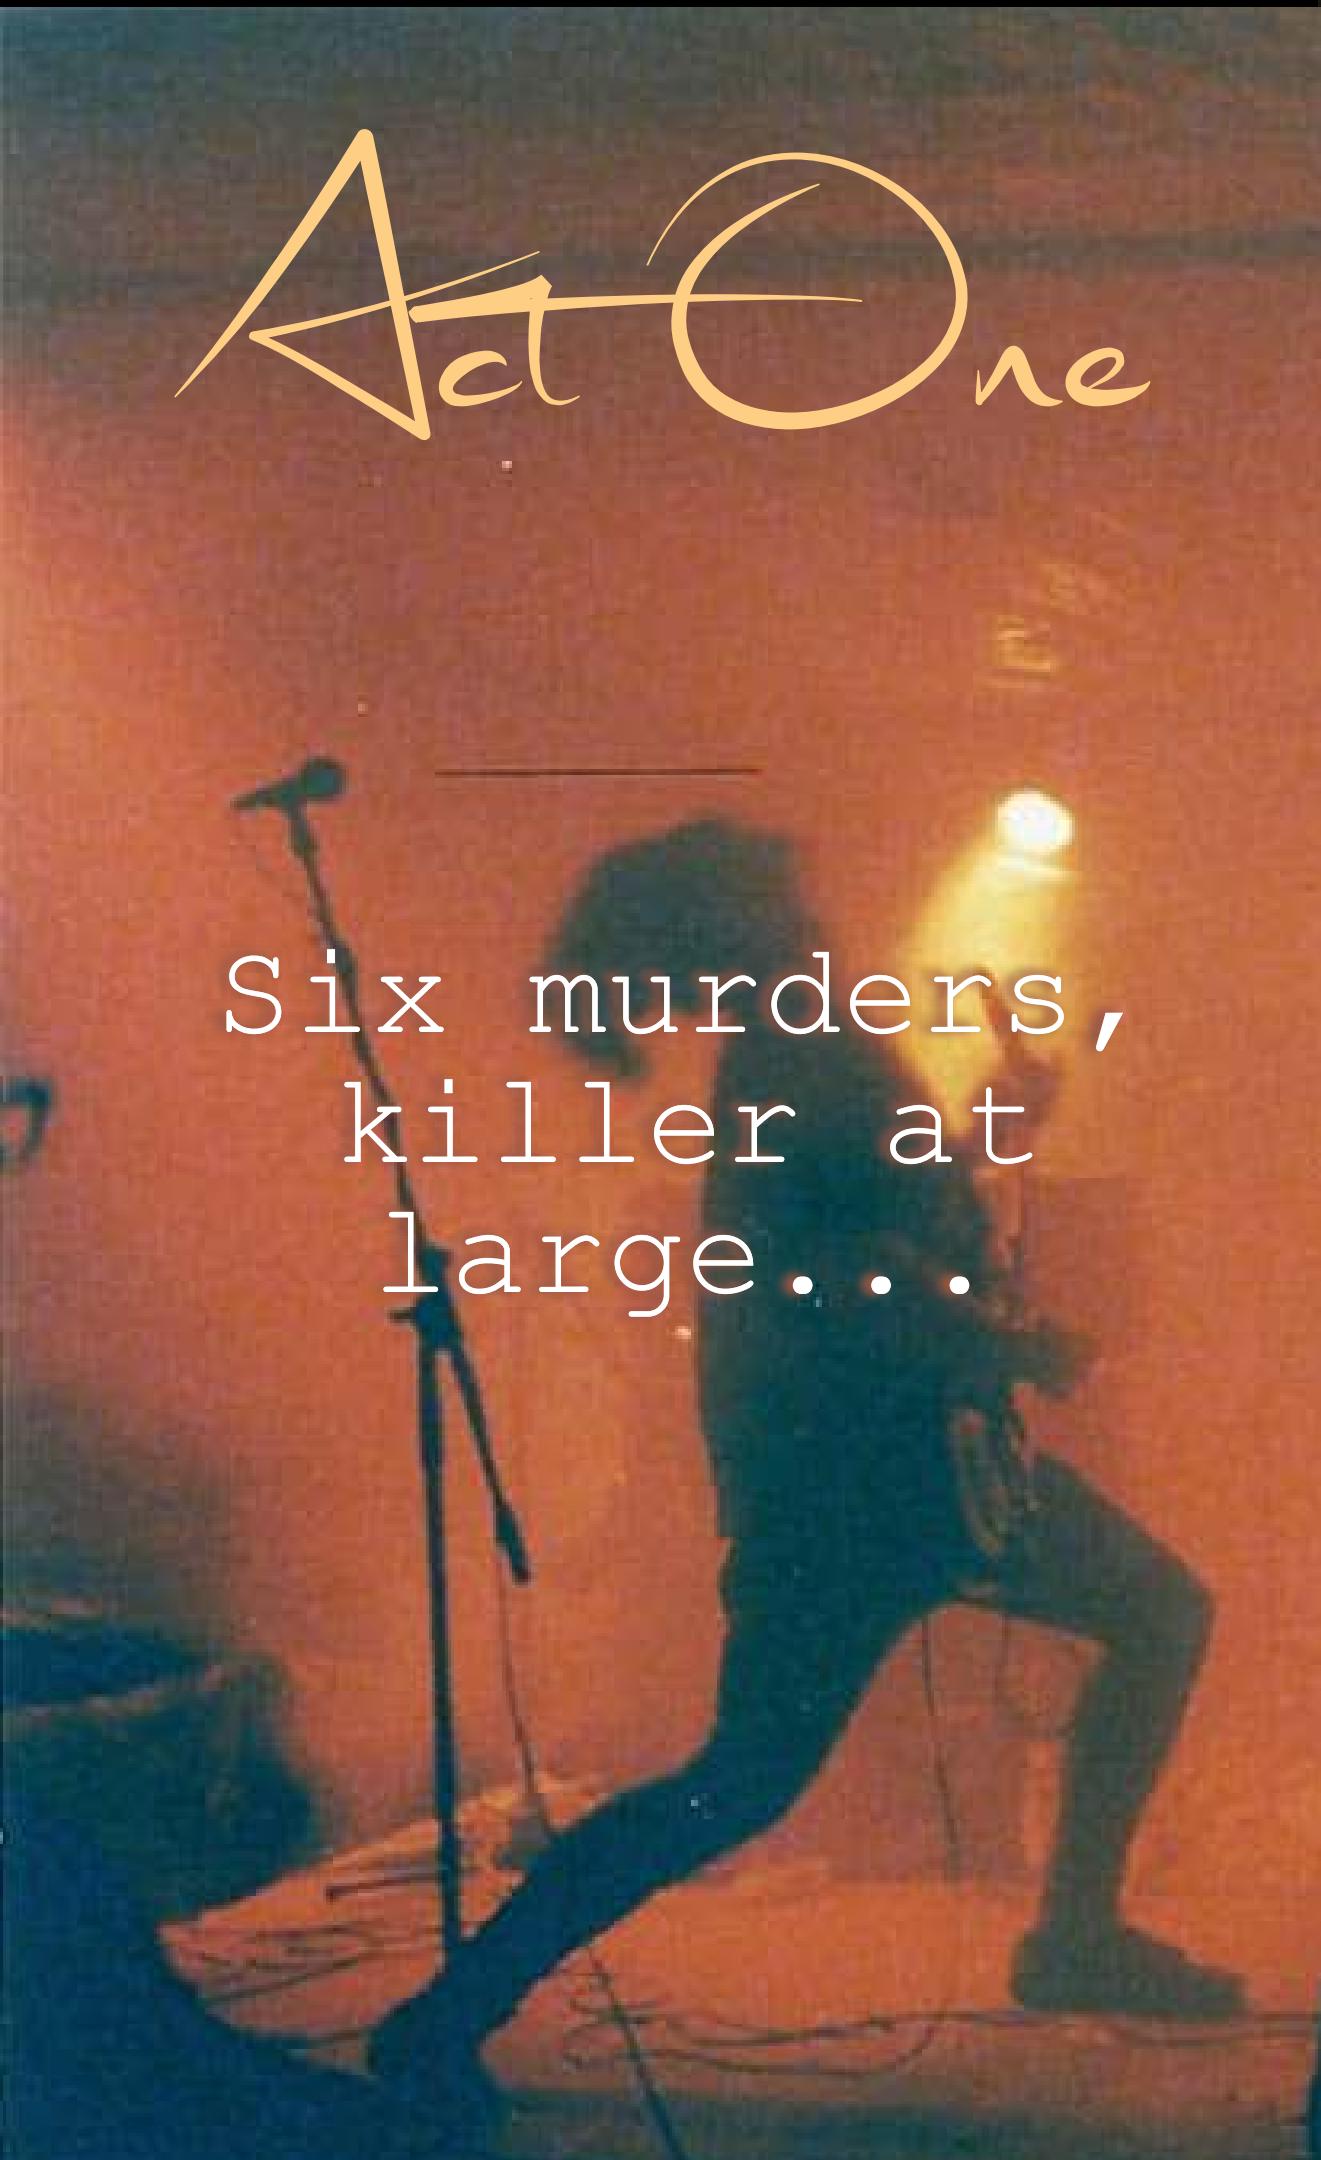

This is a **social commentary**. This is not a new story. This is a **true story**- many truths in one. **Stories we already know but have refused to accept.**

Until now.

Kaya Jordann

Act One

Six murders,
killer at
large...

Act One

Act Two

Six murders,
killer at
large...

Public
suspicion
rises,
suspects are
introduced...

Act One

Six murders,
killer at
large...

Act Two

Public
suspicion
rises,
suspects are
introduced...

Act Three

Lead singer is
the seventh
victim, the
killer is
revealed to be
the band
itself...

The Mondays

PEAR

AFROSAVI

the cover girl

"It was the death of me..."

Pear

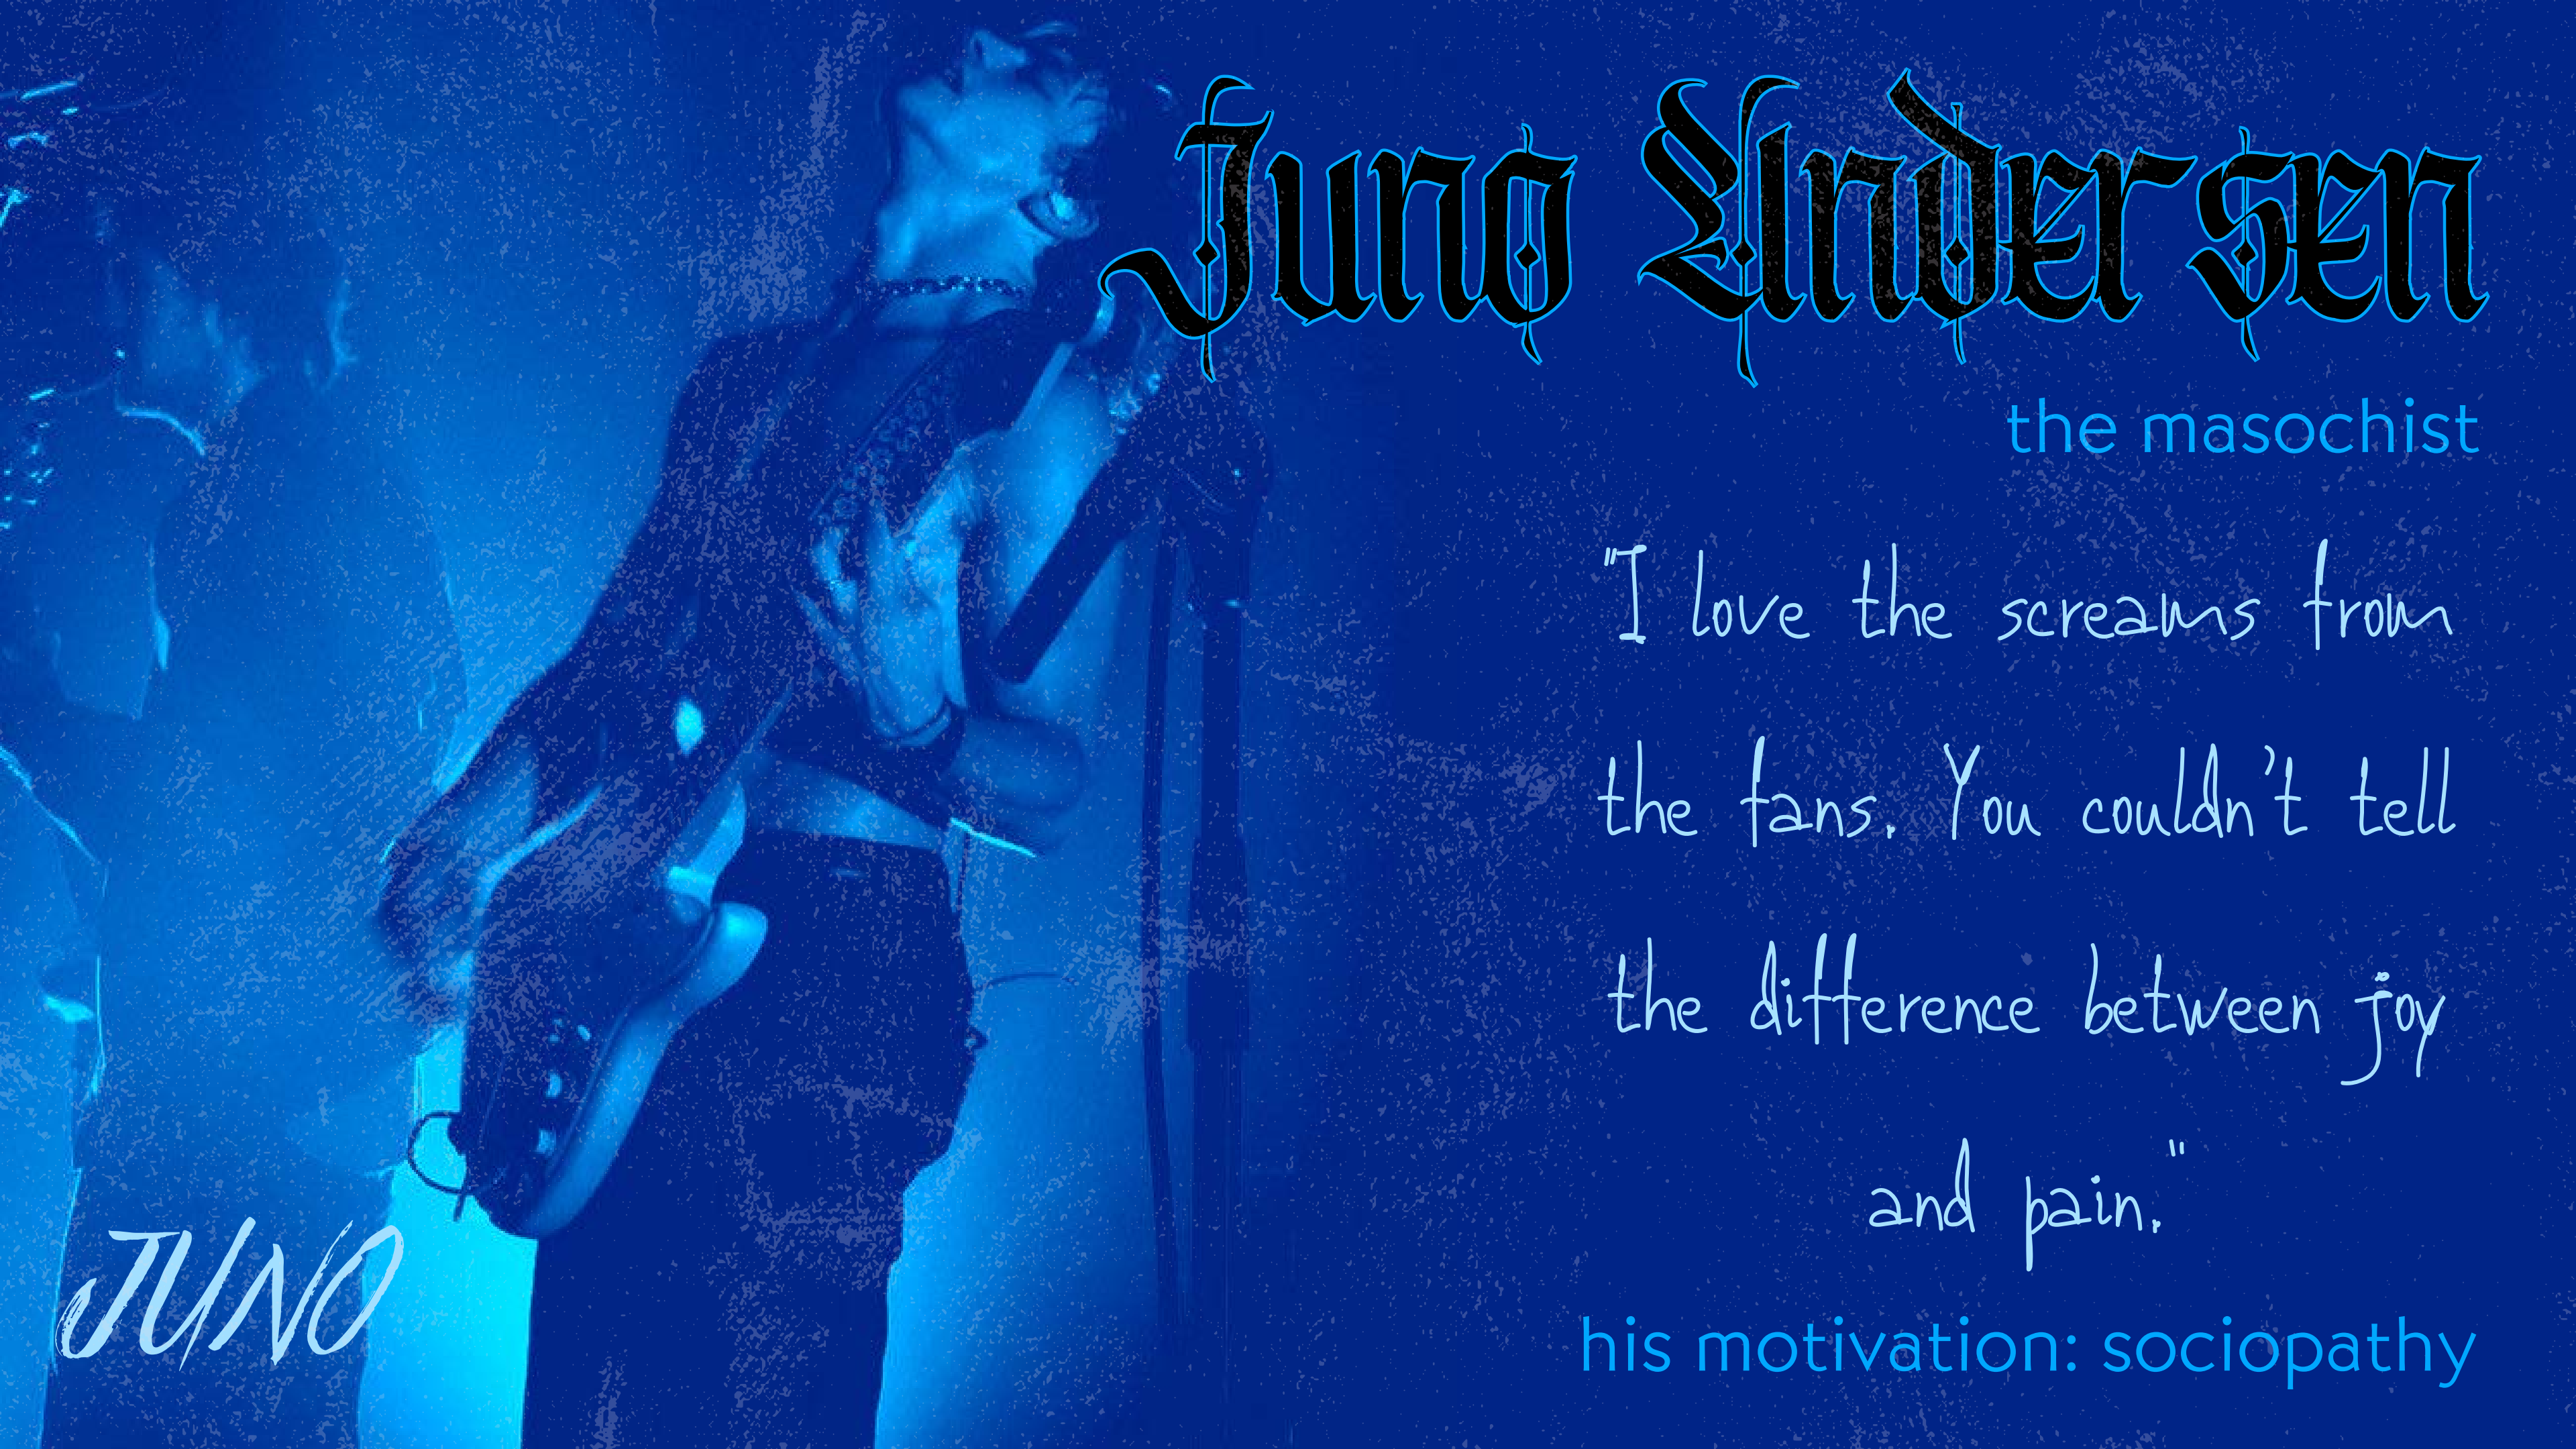

Dasha Valentina

the jealous type

"If I'm going to be a
star, someone's gonna
have to burn."

her motivation: the power,
the love, the brutality

DashaVal

Juno Sinder Sen

the masochist

"I love the screams from
the fans. You couldn't tell
the difference between joy
and pain."

his motivation: sociopathy

JUNO

Malachi Copeland

the bystander

"The music gives me a
heartbeat. What can I do if
it takes others?"

his motivation: inclusion,
fame, longing

Malachi
Copeland

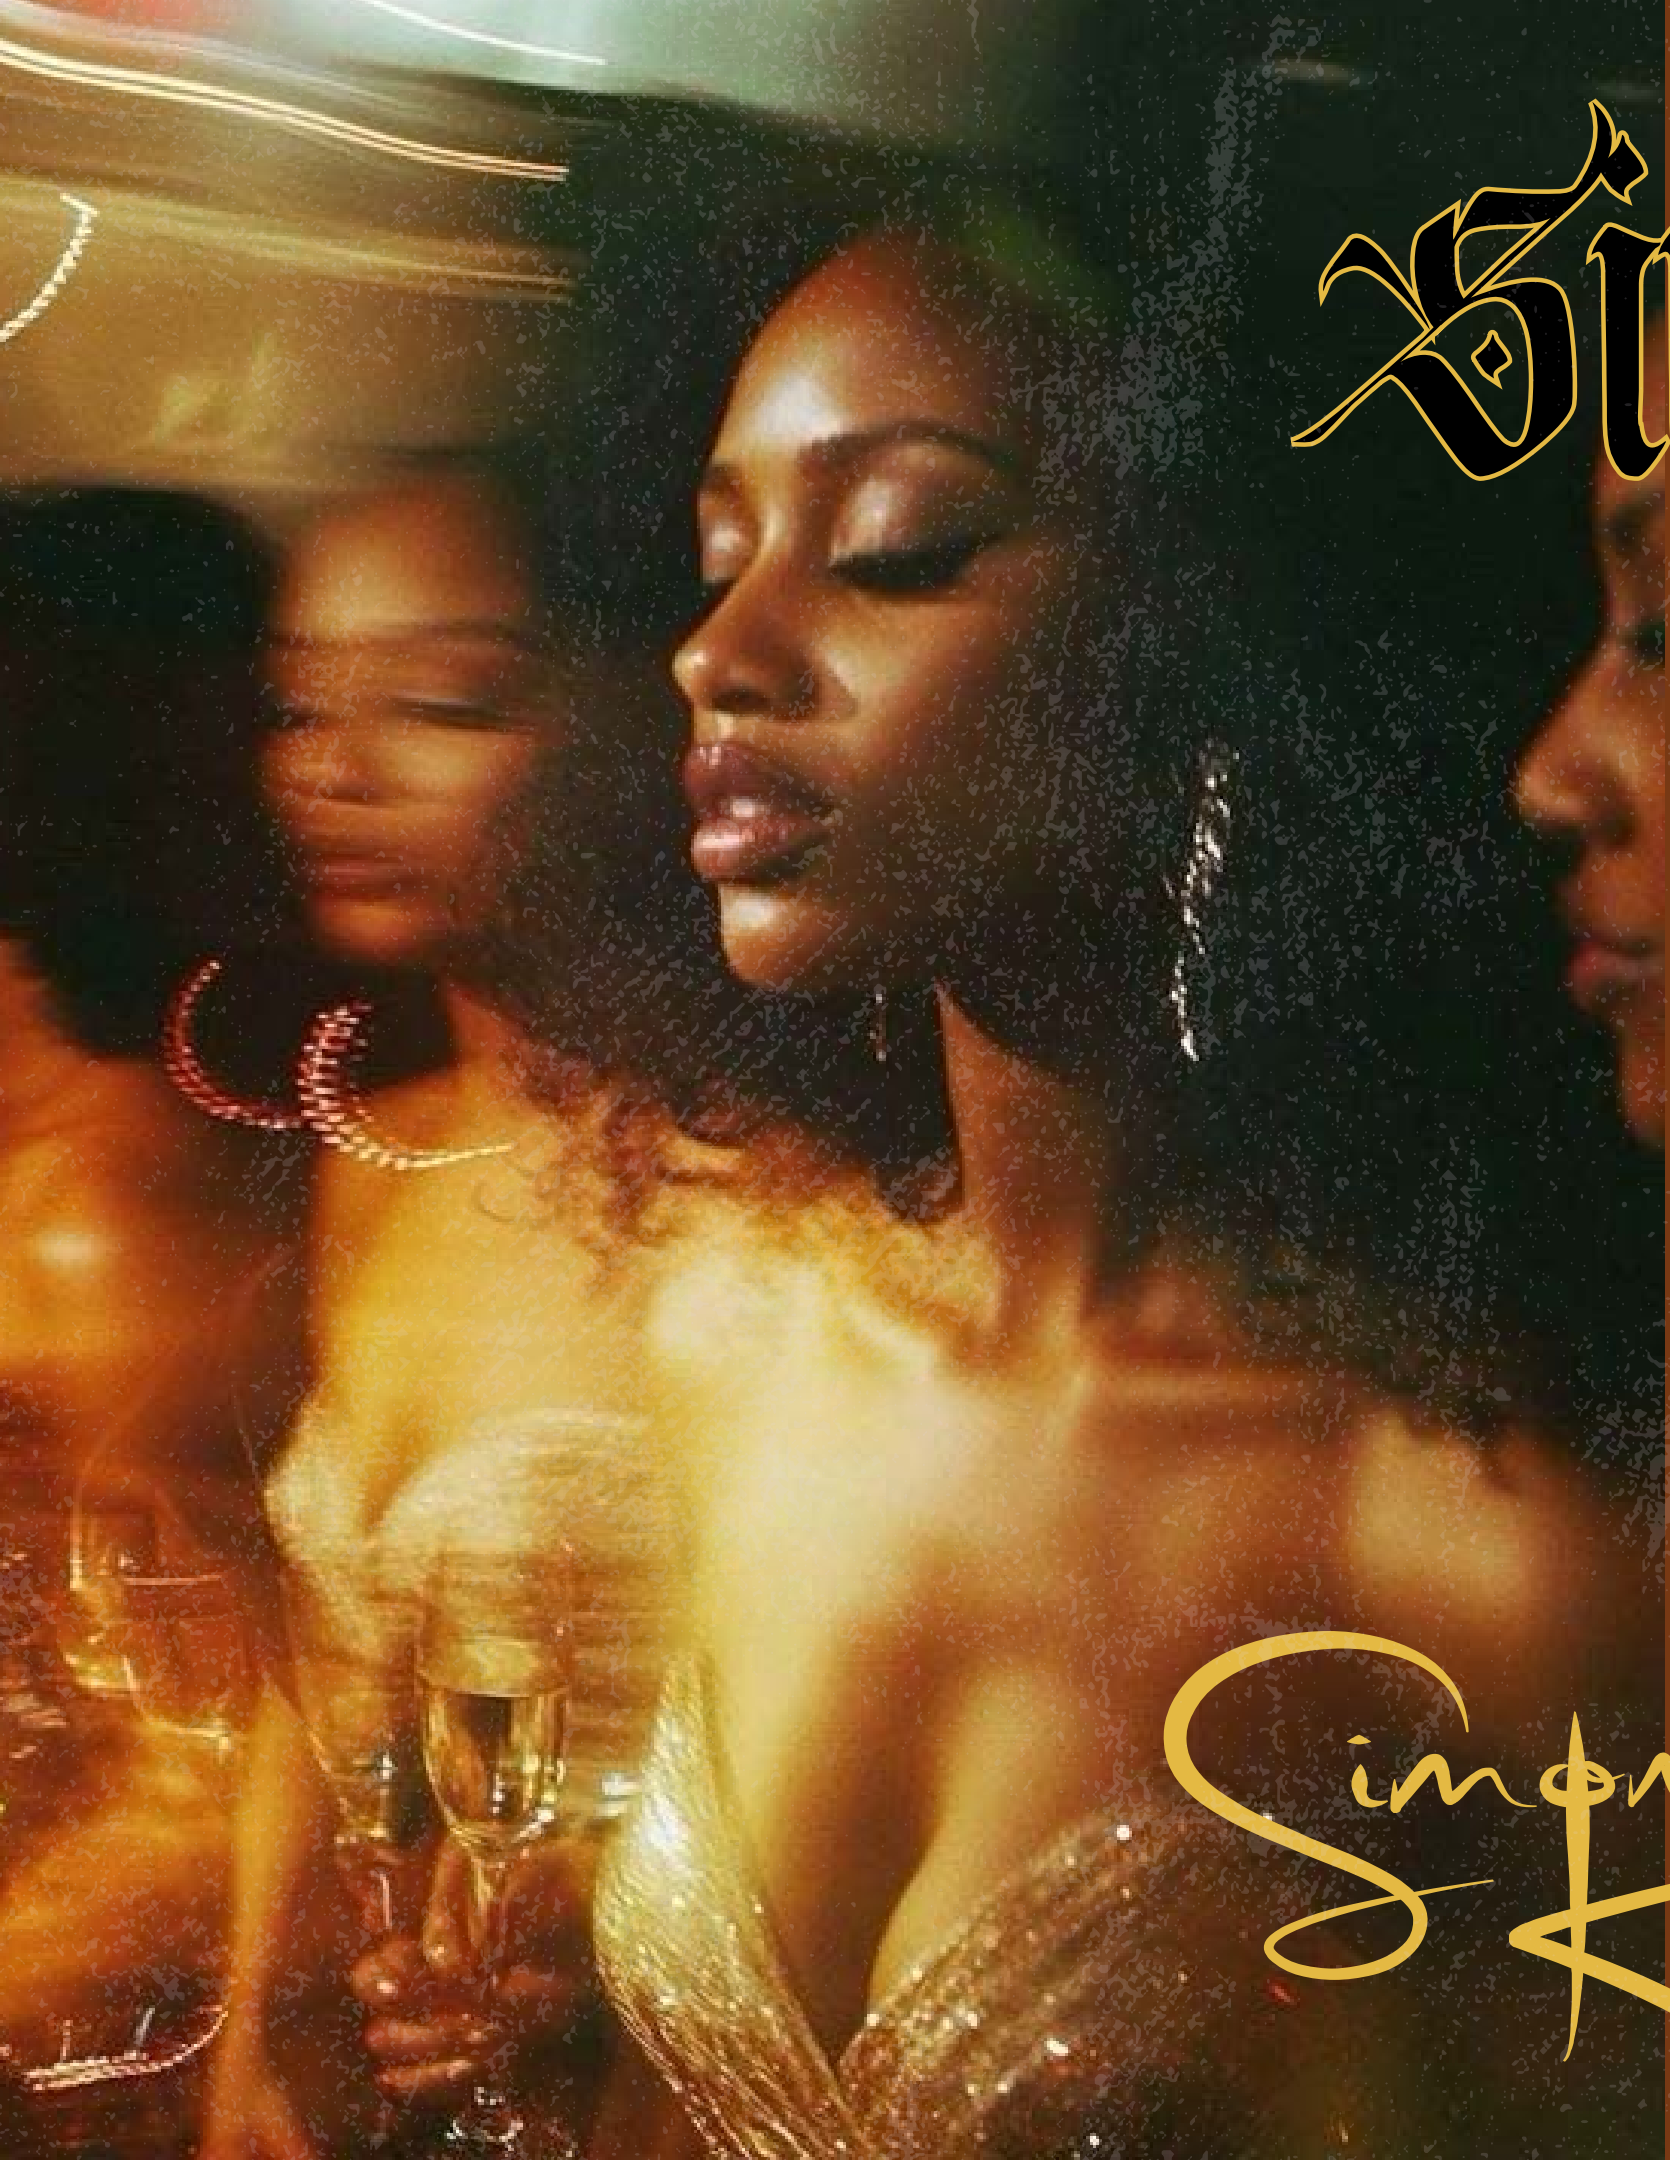

Caleb Coltrane

the pretty face

"They'd give their lives to
experience our art. We're not
really taking anything."

his motivation: the glory,
the high, the worship

C. coltrane

Simone Starwell

the manager

"With me, I knew they
would be unstoppable."

Simone
K

her motivation: money,
influence

SYNOPSIS

the
Mondays

the news

While jetset to their seventh tour stop, The Mondays receive word of **six murders**, one per tour stop.

However, they're encouraged to **continue** by their manager and "the label" while "**authorities**" sort the rest.

Word Gets Out...

YOUR DAILY LOOK INTO THE MUSIC INDUSTRY

THE PUBLIC IS TORN BETWEEN SUSPECTS

OPINION

Popular rock band, The Mondays, has been rocked with devastating news of groupie murders following them around the world on their sold-out tour. The music community's empathy goes out to the band as they endure this manhunt for the killer.

We'll sort through the suspects. First is the rival band, Shredder, which formerly claimed Pear Mousavi as their lead singer before she converted to The Mondays in a shocking twist. Second is The Mondays' internet hater, a raging contrarian with a keyboard and a criminal record. Finally, we're brought to The Mondays' superfan, notorious for crossing boundaries and walking the line of the law. We spoke to The Mondays' manager Simone

Reply

Juno's bandmates lash out at him...
for deviating from the plan.

He wasn't supposed to kill Pear. Yet.

They all panic. Manager Simone walks in.

She's disappointed. Not shocked. Not
upset. She thinks... She has an idea.

How it ends...

Simone pulls her
strings to get the
rival band to
confess.

The Mondays perform
one last time for a
while- in a tribute
concert to honor
Pear.

The crowd just sings along ...
